About Us

Since 2013, Ocean Beach Company has been bringing the laid-back vibes of the San Francisco Bay Area to closets everywhere. We don't just make clothes; we make the "I never want to take this off" favorites for men, women, and kiddos.

From our seriously soft vintage wash hoodies to socks designed to make you laugh, we've got you covered from head to toe.

Walking the Walk

We love the planet as much as we love socks. A portion of every Bigfoot Sock collection sale goes to the **National Park Foundation** to help maintain the great outdoors. To keep our own footprint small, we ditch unnecessary packaging, use efficient processes, and recycle everything we can. It's all about making great socks without the waste.

About This Catalog

We have such an extensive assortment of socks that one brand just wasn't enough! With Bigfoot & Sock Harbor, you can find **over 800 styles** to choose from, making it nearly impossible to not find something perfect for your feet.

And in case you were wondering, ALL of our socks are designed the same way: a blend of maximum comfort mixed with optimal style (and a pinch of humor from time to time). So take a look, crack a smile, and dive into our world of socks!

Most items can also be viewed on our website at oceanbeachco.com; where online wholesale ordering is also available for non-custom products.
