2026 UPDATES

WELCOME TO OUR 2026 CATALOG!

Your partnership, insights, and enthusiasm continue to shape everything we create. As we step into 2026, we're excited to showcase the evolution of our two distinct brands — NI Spa and Sassy + Co. Each brand brings its own personality, purpose, and retail opportunity, giving you the flexibility to curate collections that speak beautifully to your customers.

Below is a look at what makes each brand unique — and what's new for 2026.

NI SPA

Refined, nature-inspired body care with luxurious textures + light, clean, fresh fragrance blends that feel straight out of the spa.

WHAT DEFINES NI SPA?

- **Nature-forward formulations** — featuring plant-based ingredients, cold-pressed seed oils, and essential oil-based fragrance blends that deeply nourish the skin.
- **Light, fresh, spa-like fragrances** — clean, airy, and subtle; uplifting without ever overwhelming.
- **Refined, timeless packaging** — an elevated aesthetic that enhances boutique, spa, and apothecary environments.
- **Restorative self-care experience** — a deep assortment of luxurious body care products that supports hydrated glowing skin and elevates everyday self-care rituals.

NEW FOR 2026:

- **Orange Ginger Collection** — a bright, intoxicating fragrance that blends juicy citrus with warm ginger for an uplifting, feel-good experience.
- **Cypres Foot + Body Balm** — deeply soothing and restorative; a decadently scented addition to our Cypres collection, beloved by both men and women.

SASSY + CO™

Playful, flirty, and full of personality — a vibrant brand made for gifting, impulse purchases, and joyful self-treating.

WHAT DEFINES SASSY + CO?

- **Sassy, personality-driven voice** — with flirty titles, uplifting “infused with” messages, and colorful graphics that instantly catch the eye and spark a smile.
- **Fun-forward fragrances with the same luxurious formulations** — youthful, fresh and flirty scents paired with the same nourishing, botanical formulas as NI Spa.
- **Designed for grab-and-go gifting** — impulse price points and playful packaging drive add-on sales at checkout and make gifting fun, easy and irresistible.
- **Seasonal collections that shine** — joyful, colorful launches that keep your shelves fresh, spirited and on trend.

NEW FOR 2026:

- **Sassy Love Collection** — six all-new gorgeous fragrances with playful, gift-ready titles in Mini Hand Crème and Mini Body Butter.
- **Sassy Holiday Gift Sets** — featuring holiday-inspired Hand Crème in six NEW festive fragrances, Mint Lip Butter, and a beautiful red satin pillowcase.

OUR MISSION

**CREATE NATURALLY LUXURIOUS, BEAUTIFULLY INDULGENT
BODY CARE PRODUCTS THAT INSPIRE WELLNESS + SUPPORT
A HEALTHY LIFESTYLE**

Our mission is guided by three core principles:

Fragrance that inspires with thoughtfully crafted scents.

Plant-powered body care that indulges with ExSeed® to hydrate, protect and nourish skin.

Indulge in the good, Eliminate the bad with rich, botanical ingredients and no harsh toxins.

OUR FRAGRANCE STORY

Fragrance is at the heart of everything we create. It has the power to lift your mood, spark a memory, and turn everyday routines into meaningful rituals. At Natural Inspirations, we craft our fragrances with intention — blending nature-inspired notes, thoughtful profiles, and a sensory experience that feels both comforting and beautifully expressive. Each of our brands has its own unique fragrance personality.

NI SPA features light, clean, fresh, spa-like scents that evoke calm and clarity. These fragrances are soft, airy, and beautifully understated — perfect for customers who love subtle, soothing aromas inspired by nature.

SASSY + CO embraces playful, youthful, modern scent profiles with a flirty twist. These fragrances feel bright, expressive, and full of personality — perfect for customers who want something fun, fresh, and joyfully feminine.

FROM SEED TO SKIN

PLANT-POWERED BODY CARE WITH EXSEED®

Seed oils are the power source of the plant. Packed with antioxidants, nutrient-rich fatty acids and a spectrum of phytonutrients; ExSeed® Antioxidant Complex combines powerful seed oils from certified organic Black Cumin, Cranberry, Pomegranate, Grape and Carrot seed oils to replenish, moisturize and protect skin.

Our seed oils are sustainably sourced and extracted using a patented, cold-press process. Using cool processing temperatures yields the purest, highest quality seed oils and preserves the powerful antioxidant benefits of the seeds for maximum skin benefits. We include ExSeed in all of our body care products.
