*The journey
of the
humble bean*

*the perfect
coffee*

From selecting the highest quality Arabica coffee beans from around the world to expertly roasting each batch, **Northwoods Coffee Roasters are on an insatiable journey of providing the very best coffee available.**

ABOUT NORTHWOODS COFFEE

Passionate about the Northwoods and great coffee, our team values bringing quality products to market and sharing the joy of the unique Northwoods region with the world. We connect deeply with (and share) customers nostalgia of summer cabins in the woods, hunting, fishing, campfires and swimming in the lake with family and friends alike.

To those planning their next trip “Up North” and those wanting to bring a slice of the simple life into their surroundings we’re proud to offer you a delicious cup of Northwoods Coffee.
