Clean Ingredients, Captivating Scents

TSHOMESTUDIO.COM

Welcome to T.S. HOME STUDIO

We're Heather and Chad Dupey, the husband-and-wife team behind T.S. Home Studio. Since 2016, we've been handcrafting clean-burning candles and home fragrance products thoughtfully designed for everyday living.

What started as a mission to create clean-burning candles for our family has grown into a trusted brand rooted in simplicity, wellness, and intentional design.

Today, our collection features 100% natural soy wax, crackling wood wicks, and thoughtfully curated fragrances designed to transform everyday spaces into tranquil retreats.

WHY PARTNER WITH US

As retailers ourselves, we create products designed to look beautiful, sell well, and keep customers coming back.

WHAT YOU CAN EXPECT

- ✓ Premium, small-batch products
- ✓ Fast, reliable fulfillment
- ✓ Friendly, personal service
- ✓ Strong retail support and sell-through

What Does T.S. Mean?

T.S. stands for Tranquil Spaces, reflecting our belief that fragrance has the power to transform everyday spaces into places of comfort, calm, and connection.
