BAKE LINER

For Baking, Roasting & Grilling

Healthy way of cooking · Easy to clean · Reusable

Discover the Modern Kitchen Product's non-stick bake liner. Not only does the MKP bake liner surpass the qualities of traditional baking paper thanks to its high-quality non-stick properties, and is also more economical thanks to its long-lasting durability. Thanks to its excellent non-stick coating, your bakeware will last longer, and cleaning up will be fast and easy.

ADVANTAGES:

- Make any piece of cookware non-stick
- Reusable and better for the environment
- Non-stick, easily cleans with warm soapy water or in the dishwasher.
- Great for low fat cooking, no oil needed.
- Suitable for all oven and cookware types
- Can be cut to size
- Heat resistant up to 500°F (260°C)

Made in Belgium · Size - 33x40cm (13" x 16")
