ABOUT US ●

A peek behind curtains

At Sixtease, we believe in sustainability and the power of repurposing. Our collection of upcycled canvas and leather bags combines eco-consciousness with style, offering your customers a fashionable and eco-friendly alternative to traditional bags. By partnering with us, you'll be able to provide your customers with unique, high-quality products that align with their values.

— Why choose upcycled canvas bags? —

Upcycling reduces waste and minimizes the carbon footprint associated with manufacturing new materials. By offering upcycled canvas bags, you'll contribute to a more sustainable future.

- Unique and Artistic Designs
- Durability and Functionality
- Ethical Sourcing
- Versatility

— Partner with us! —

By becoming a wholesaler of our upcycled canvas bags, you join us in making a positive impact on the environment while offering your customers unique and sustainable products. We provide competitive pricing, reliable customer service, and prompt shipping to ensure a smooth and successful partnership.

— Embracing Uniqueness —

A Note on Our Upcycled Canvas Bags

At Sixtease, we take pride in our commitment to sustainability through upcycling materials for our canvas bags. We want to share with you that due to the nature of upcycling, each bag may vary slightly in color, texture, or stitching. These variations are a testament to the uniqueness of each piece, making yours truly one-of-a-kind.

We understand the importance of transparency, and we assure you that despite these differences, every bag is crafted with the utmost care and attention to quality. If you have any questions or concerns about the variations in our products, please don't hesitate to reach out to us.

Thank you for choosing Sixtease.
Together, let's inspire change and
promote a greener world.
